

Product Certificate

This is to certify that the following product has met the requirements detailed below

Viking Johnson AquaShield Coupling and Flange Adaptors

AquaShield 90mm, 125mm and 180mm (SDR11 & SDR17) complies with the performance criteria in BS 8561 when used on Polyethylene Barrier Pipes (GPS Protecta-Line, Radius Puriton and Egeplast SLA) as manufactured to BS 8588 and standard Polyethylene Pipe to BS EN 12201.

The fittings have also been tested on the Polyethylene Barrier Pipes listed to verify that as a system they comply with the relevant clauses in BS 8588 relating to resistance to the permeation of contaminants.
